## **Give Your Business a Christmas Lift**

Christmas is coming! Can your forklift handle the extra workload?

Equipment failure equals lost business and added costs.

Have LiftRite Toyota carry out a pre-Christmas service and inspection of your forklift fleet before the rush.

Factory trained technicians will carry out a full 200-hour/3-monthly service.

You will receive a comprehensive report including checks on:

- \* Safety
- \* Steering
- \* Brakes and more
- \* Cooling system
- \* Hydraulic system

Get your forklifts ready for the rigours of the festive season.

LiftRite Toyota's service department will book your forklift fleet in now.
